**Date**

*December 3-6 2019*

**Booth No.**

*5.1F28*

**Address**

*National Convention & Exhibition Center,  
Shanghai.*

Dear Customers & Partners,  
Welcome to visit Autel. At Automechanika Shanghai, we will present:

- MaxiSys Ultra—the new generation Advanced Diagnostic and Analysis System
- MaxiSys ADAS—the complete solution for Advanced Driver Assistance System calibration
- MaxiSys IM—All-In-One Key Programming & Advanced Diagnostics
- New Special Tools—Jump Starter, Battery Tester, Digital Inspection Videoscopes, Thermal Imaging Camera

Let's explore the latest innovations together. Our technical experts will be here to answer all your questions face-to-face.

**Sincerely look forward to your visit at the event!**
